In **GOD'S HOUSE** it doesn't matter if you're not sure you believe in God...*He believes in you.* You can experience God (when you're ready.) I think if you're open, you'll find Him here. —*Pastor Eric*

What kind of church is this? We follow Jesus Christ. We are Baptists, Catholics, Presbyterians, Methodists, charismatics or not, etc. We celebrate common ground and follow Jesus together.

Do you take an offering? To honor God and support His House, use the slot in the guitar case by the door. Make out checks to "God's House." It's fully deductible on earth, and fully credited in heaven, too.

"I'm not really Superman - I'm just trying to **work** something **out**."

"Life has a melody, Gaius. A rhythm of notes which become your existence once played in **harmony** with God's plan." —*Number Six, BATTLESTAR GALACTICA*

"Gracefulness has been defined to be the outward expression of the inward harmony of the soul."

—*William Hazlit*

"Every time you make a choice you are turning the central part of you. All your life long you are slowly turning this central thing either into a creature that is in **harmony** with God, and with other creatures, and with itself, or else into one that is in a state of war and hatred with God, and with its fellow creatures, and with itself. To be the one kind of creature is heaven: To be the other means madness, horror, idiocy, rage, impotence, and eternal loneliness. Each of us at each moment is progressing to the one state or the other. -*C.S. Lewis, author of NARNIA*

"Harmony is pure love, for love is complete agreement."

—*Lope de Vega*

"TRUTH IS INNER HARMONY."

—*WALTER RATHENAU*

syn-cho-rize (verb)

1. To cause to go on, move, work, etc. at the same rate and exactly together.
2. To operate in unison.

"Since we have chosen the life of the Spirit, let's make sure we don't just hold it as an idea in our heads or a feeling in our hearts, but **work out its meaning for every detail of our lives."**

—*Galatians 5:25*
